May 2006 NEWSLETTER

Editor's Note:

This newsletter should be reaching you just before Memorial Day 2006. This day is normally reserved for cooking of hot dogs and spending time with family and friends. This Memorial Day don't forget the true purpose of this holiday; it is to remember the people that have fought for our freedoms and for the brave men and women that still defend it today. On this day please remember the sacrifices of the service personnel and their families and remember freedom has not come to us for free.

Welcome:

Welcome to our new residents!
William S McDorman - Morning Dew
Brandy Taylor - Beargrass Way
Debra J Morgan - Crystal Lake Lane
James and Patricia Heuker - Cypress Lane
Lois D. and Sula J. Pope
Peter and Brenda Kellum - Village green Parkway

If any new residents were missed please let us know via the website we will recognize you in the next edition.

FYI:

We have been notified that the Hamilton Twp. Police will be ticketing drivers using the construction access road through the development at the end of Acorn Trail. They will also be ticketing drivers of construction vehicles using our roads instead of the construction entrance. If you see any construction traffic that should not be here please call Hamilton Twp Police on the non emergency line (925-2525) to report this. Try to give a description of the vehicle and a license plate if possible.

Crystal Lake is a private fishing lake for residents and their guests only. Your green tag is required to be present while you are using this amenity and please remember that it is a catch and release lake. If you see non-residents using this asset please call Hamilton Twp. Police on the non emergency line (925-

2525). If you feel comfortable asking them to leave prior to notifying the police please do so.

Yoga Class: Every Thursday evening at 6:15 at the upper level of the Clubhouse. Come and enjoy an hour of yoga. First timers, women & men, and those who have done Yoga before are welcome. Questions Call: Julie at 899-9910.

Maintenance Committee:

Maintenance is ongoing here at VOG and to keep our fees low we are relying on volunteers to assist in special projects.

We have a "hands on" crew that that has been completing projects around the community. Rob Silber has fixed the steps to the club house, Roy Wergers has been painting signs, and there was a big crew a couple of weekends ago that spread mulch at the playground and the 1st and 2nd rotaries. Laura and Michael Bolender, Rob and Kim Silber, Roy Wergers, Lew Snider, Barb Mirlisena, Gary and Jeanie Gibson, John Boccher, Don Tedrick, and David Brock from Towne Properties volunteered to spread 40 cu ft of mulch saving the community SEVERAL THOUSAND DOLLARS and improved the community's visual appeal.

There will be another mulch party on June 3rd to finish the job. If you are available please meet at the club house in the morning around 9:00 AM.

We are asking your help in the yards that were repaired last year because of grubs. Please water these recently seeded lawns (if it ever stops raining), this will insure that the yards come back healthy. It will also assist Blue Chip Landscaping continue with the fertilizing and seeding plan without interruption. Your help with this is greatly appreciated.

Social Committee:

We are making progress with the Mailbox project, we have installed 11 new mailboxes and all of the profits went fill the planters around the club house and the pool with new spring flowers. Lynne Busemeyer picked

Neighborhood Watch

March and April Neighborhood Watch meetings were well attended. Our goal was to educate everyone on the purpose of NHW, the importance of registering their household, and participating in the phone chain. Officer Elliott urged us to call the Police to report all suspicious activity. Call 911 for all emergencies and call 925-2525 with any suspicious activity.

Participating in NHW is easy. Just register yourself and your family and agree to participate in the phone chain. You would simply call the next person on the chain if activated. The phone chain would only be used in the event of an emergency or to pass along a suspicious activity report. Our hope is that EVERYONE would participate in making our community a safer one for us and for our families.

The Pool Committee

Village on the Green has a new committee, The Pool Committee. We are excited about our committee, and are looking for new members. Our most active time is during the spring and summer, and would love to have YOU as a member. Our focus is the safety of the pool and the cleanliness and security of Town Hall in the summer.

A few things to remember when using the pool: if you use a table and umbrella, please close and tie the umbrella before you leave. Don't forget all of your belongings. Last year there were toys, clothing and towels left at the pool. We are investigating a "lost and found". When this is established, we will post a note in Town Hall on the bulletin board as to where it is and how to recover your belongings that were left behind. When using the bathrooms in Town Hall, please dry off prior to entering the building. This will help keep the floor dry so our neighbors don't slip and get hurt. This will also help with the cleanliness in the bathrooms. This is the time of the year when the bathrooms get dirty very quick, and we can all help with this endeavor, as these are our amenities.

Please be courteous of your neighbors. There are residents that use the pool for relaxation such as floating and even card playing. Please consider them when splashing and jumping in as a cannon ball in the pool. Please be conscious of the rules. They are in place for everyone's safety and it is everyone's responsibility to follow them. Parents should remember to review those rules with children that are of age to be at the pool without the guidance of an adult. This will ensure that everyone has a good time and is safe. Remember, NO DIVING and no running in the pool area. The pool is not deep enough for diving.

Please remember **your keys and green tags**. This will become more and more important as Regency Park and surrounding communities connect with the village. It is important for us to protect what is ours as we pay for these amenities.

Memorial Day is right around the corner, and the pool committee members will be present opening weekend. We look forward to meeting neighbors we have not, and seeing everyone that weekend for a good time!!! If you are interested in being a member of the committee, please call Laura Bolender at 899-4108.

See you at the pool!!!!
